

Science:

Year 2 will continue their healthy lifestyle topic. They will learn what makes a balanced diet and how to stay healthy through exercise. They will also focus on the topic 'Animals including humans'. They will learn the names of different animals' offspring as well as what is needed to survive. In addition to this, they will be exploring the world around them using their senses.

Whole Class Text:

Vocabulary
Infer
Predict
Explain
Retrieve
Summarise

Taking Flight By Adam Hancher

James and the Giant Peach By Roald Dahl

English:

In Reading we will be focussing on our inference skills based on what characters say and do. We will use what we have read to justify our inferences. We will also be learning how to answer extended response questions.

In Writing we will be developing our written skills through letters. We will focus on the organisational features. As well as making a comparison between formal and informal language and the context of this.

B Birchfield PRIMARY SCHOOL Year 2 Spring 2.1

Enquiry Question :

How did the Wright Brothers impact on travelling around the world?

Home Learning:

*Researching the Wright Brothers

*Designing a glider that we will construct at school

*We will fly these during our own WOW afternoon on the Wright Brothers

Mathematics:

This term Year 2 will focus on :

***Multiplication and Division**

We will learn multiplication and division facts for 2, 5 and 10 times table. Using this knowledge, we will use arrays and repeated addition to form number sentences and answer word problems.

***Money**

Recognise and use symbols for pounds and making different values.

Art/D.T/Music:

In D.T children will be designing and making their own glider that is appealing and functional. They will incorporate wheels and axles to allow the glider to move. They will then evaluate this by investigating which glider travels the furthest and reflect on how they could improve their model.

During Art, we will be learning about pointillism and use this style to create paintings of transport.

R.E./P.S.H.E:

R.E—At the beginning of this half term, children will be learning how to create unity and harmony through stories of the Good Samaritan and Rama and Sita. They will then learn about participation and the willing to lead.

P.S.H.E—Children will focus on one of our school values 'respect'. They will explore the importance of respecting others' similarities and differences.

History/ Geography:

What would the world be like without travel?

How has air travel helped people move around the world?

How does air travel affect the environment?

What is the difference between aeroplanes now and when the Wright Brothers invented them?

P.E.:

***Every Monday morning:**

***Ball skills**

***Fitness**
