

**Wednesday 11<sup>th</sup> October 2023**

Dear Parents and Guardians,

One area where your continuous support is invaluable is in fostering a love for reading. We firmly believe that reading is the cornerstone of a child's education. Regular and routine practise is needed to develop the fluency and understanding that all children need for school and in life. Please hear your child read and read with them whenever you can, encouraging your child to make reading a part of the daily routine, for example before bedtime.

**We also need parents to ensure that children are bringing their reading books in daily.** Habits start early and we want our children to develop good habits. Sending their reading books back daily instils a sense of responsibility as children learn to care for and manage their educational resources. It helps us to track their reading over time and supports their ongoing progress.

If you have any questions about reading, please see your child's class teacher in the first instance.

Thank you for your continued support.

Mrs Z Thewlis  
Headteacher
