

13th March 2024

Dear parents/guardians,

Subject: donation drive for families in need.

As part of our ongoing efforts to support our school community, we are seeking your help with a donation drive organised by our dedicated School Council members.

The purpose of this project is to collect non - perishable items and other essential products for families in need within our school community. We believe that by coming together as a community, we can make a difference to the lives of those who may be facing challenging circumstances.

We kindly request your support and participation in the way of donations. Your generous donations will go a long way in providing much-needed assistance to families who are currently experiencing hardship.

Some non – perishable items that we would appreciate include:

- Toiletries – razors, tissue rolls, toothbrush, toothpaste, nappies. Etc
- Dried foods – dried pasta, dried spaghetti, dried noodles. Etc
- Canned goods
- Snacks – crisps, biscuits, chocolates, sweets. Etc

Donations can be dropped off at the school between 18th March 2024 and 22nd March 2024. Please ensure your child gives the donations to their class teacher. They must be in their original packaging and unopened.

We understand that times are quite tough for everyone, and any contribution, big or small, will surely make a huge difference.

Thank you.
The school councillors
