

Science

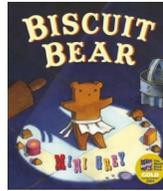

In Science, we will continue to explore everyday materials and their uses. Children will look at materials such as glass, wood, plastic, metal and rocks. They will explore the four seasons: Autumn, Winter, Spring and Summer. Looking at how the weather changes. Children will investigate the changes we may see in our environment in each season.

Whole Class text

Title: Biscuit Bear

Author: Mini Grey

Home Learning

- Use the internet to research and look at the local area (Aston) on Google Maps and research Birmingham.
- Discuss and visit landmarks in the local area e.g. Aston park, Birmingham Bullring.
- Talk to the children about the Knowledge Organisers, key information and vocabulary.
- This half term our school value will be 'Resilience'. Please discuss what this means with your child
- To read every day with your child and learn their word lists.

English

In Reading we will be focussing on making predictions based on what we have read in the story so far. We will focus on looking at how the characters behave.

In Writing we will be developing our writing skills through 'recounts' and 'instructions'. We will focus on the actions and using powerful verbs to make our writing more interesting.

B Birchfield PRIMARY SCHOOL Year 1 Autumn 1.2

Enquiry question:

What is it like to live in Aston?

Mathematics

This term year 1 will focus on:

- Addition and Subtraction
- Solving one-step problems that involve addition and subtraction
- Place value of numbers within 20.
- 2D and 3D shapes

Art/DT/Music

In DT we will continue to investigate different structures and house types. We will consider different materials and which are more suitable to use. We will be studying the art work of Peter Grant Wood who was famous for his paintings of homes.

R.E./ PHSE

What makes us happy and how do we show it?
When and where do we see happy people?
To recognise, name and deal with their feelings in a positive way.

History/Geography

- To explore human and physical features
- Describe the location of features and routes on a map
- recognise famous landmarks and re-search their history

P.E.

This is every Thursday. Please make sure children have the correct PE kit. Children will be building their stamina and overall health this half term through:

- Yoga and Athletics
