

Science: This half-term we will be learning about evolution and inheritance. How animals have adapted to their environments over time and electricity—how circuits work.

Whole Class Text:

Title: *A Christmas Carol*
Author: Charles Dickens

Vocabulary
Infer
Predict
Explain
Retrieve
Summarise

Home Learning:

Research the Blitz and how the people of Britain coped with it.

What is the Battle of Britain.

Discuss the impact of propaganda and if it worked

*Use the knowledge organisers provided to learn and understand key events and vocabulary.

*Read books and poems from the war which provide an account of what it was like during this time.

*Spend time discussing and comparing how we live now to what it would be like living during the war.

English: In reading we will be focusing on our comprehension skills and we will explore the themes from the book. We will focus on looking at meaning of words in context and inferring meaning from characters thoughts and actions as well as retrieving important facts and information. In Writing we will be developing our written skills drafting and editing our writing. We will focus on the different language types and the effect they create and how to use each. We will continue to develop our use of appropriate grammar, punctuation and spellings.

B Birchfield
PRIMARY SCHOOL
Year 6 Autumn 1.2

Enquiry Question :

How were children affected by the events of WW II?

Mathematics:

This term Year 6 will focus on :

*Multiplying and dividing.

* Fractions—adding, subtracting, multiplying and dividing.

*Reasoning and problem solving as well as recapping and retrieving mathematical facts and concepts from previous years.
