

## Science

### Units: Seasonal Changes and Materials.

Children will be learning about materials and how to distinguish between an object and what it is made of (material). Children will look at materials such as glass, wood, plastic, metal and rocks. They will learn about the different properties of materials and begin grouping them.

Children will also be exploring the four seasons with a particular focus on autumn and winter.

## Whole Class text

Title: The Three Little Pigs

Author: Ladybird

Title: Don't Spill The Milk!

Author: Christopher Corr

## Home Learning

- Discuss the type of house you live in, different houses you have seen. What are houses like in different countries? What were homes like in the past?
- Talk to your children about the Knowledge Organisers and the key information and vocabulary.
- This half term our school value will be '**Determination**'. Please discuss what this means with your child.

## English

In Reading we will be identifying and explaining the sequence of events as well as ranking and ordering key events in texts

In Writing, we will be using our knowledge from History and Reading to write character descriptions, writing our own stories and creating fact files about houses from the past and present. We will be continuing work on the punctuation Year 1 need for their writing, full stops, capital letters and finger spaces.

# B Birchfield PRIMARY SCHOOL Year 1 Autumn 1.1

## Enquiry question:

**How have homes and families changed?**

## Mathematics

This term year 1 will focus on place value and addition and subtraction within 10.

- Count, read and write forward and backwards from any number 0-10.
- Number bonds to 10
- Counting forwards and backwards
- Finding more and less than a given number
- Adding two amounts together
- Subtracting one amount from another

## Art/DT/Music

In Art the children will be developing a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.

In DT the children will be using a range of media, tools and techniques to create images, express ideas and show different emotions

This term the children will be learning to sing and perform the song "Hey You!".

## R.E./ PSHE

In R.E, we'll be learning about belonging. We will discuss how we can belong to different communities, religions, clubs and families. We will look at how belonging make us feel and why is it so important to feel like you belong.

In PSHE, we will be exploring 'What makes a good friend?'

## History

The children will be researching about houses from the past and how they have changed over time. We will be exploring the Victorian Era and the Tudor Era to understand how homes were built then and how they have changed. They will also be learning about what a family tree is and comparing how life was different in the 1950's to today.

## P.E.

Every Tuesday and Thursday, please make sure children have the correct PE kit.

- Team building
- Fundamentals
