Attendance News

A huge thank you to everyone who attended school every day and on time last term. Our attendance figure last term hit national average. However, this term attendance has fallen to just below national average. Our attendance is at 94.7% We need to continue to ensure we are in school every day and on time. If you have an appointment it is important you attend school before the appointment where possible and return back to school after the appointment.

Punctuality Matters Did you know?

In a school year, if your child is late every day by...	Your child would have lost approximately...	Or they would have missed approximately ...

Extended Leave

We acknowledge the challenges that some parents may face when they have family residing abroad and an emergency arises. However, please be advised that the school does not authorise holidays, irrespective of whether a contract has been completed, unless there are proven exceptional circumstances that have been authorised by the Head of School.

Should you intend to take your child abroad during term time, it is important that you complete a leave request form. These forms are available from the school office.

So far this year there have been **51 Penalty Notices** issued for non-school attendance

EID

To all those celebrating we would like to take this opportunity to wish you Eid Mubarak for next week. In line with guidance to schools on attendance, the school allows **one day** absence for Eid. Those children who do not celebrate Eid will be expected to attend school as normal. Any additional days taken outside of the one day for Eid will be classed as unauthorised.

Please follow this link for the latest attendance guidance that schools need to follow:
