

### Letter to Year 3 parents

Dear Parents and Carers,

Unfortunately, we have been informed of a positive COVID-19 test within Year 3. **Due to the timing of the notification, the circumstances are that we are advised that Year 3 pupils should self-isolate until Saturday 19<sup>th</sup> December. They do not need to self-isolate from Sunday 20<sup>th</sup> December.**

The advice from Public Health England is that children will need to be tested if they develop any of the symptoms as listed on the DfE and NHS websites:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal.

Thank you for your support.

Yours sincerely

Mrs Thewlis
